

Corelli's Maggot

Duple proper longways.

**

Music: Both Sides of the Atlantic Track 1

- A1** 1-4 First corners set forward to each other and turn single to the right back to places.
5-8 First corners two-hand turn.
- A2** 1-8 Second corners repeat A1.
- B1** 1-4 Ones cross over and go down below the twos who move up.
5-8 Ones half figure eight up through the twos.
- B2** 1-4 Ones gates down all the way around with the new twos below them.
5-8 Ones gates up with the original twos above them.

Comments: during the gates in B2, ones move forward and twos move backwards so that each two dancers rotate around a pivot between them.

This dance was written by Cathy and John Millar (Virginia, USA) and published by the CDSS in Gems (1993).
